Amitai Etzioni : Moral Dimension: Toward a New Economics before purchasing it in order to gage whether or not it would be worth my time, and all praised Moral Dimension: Toward a New Economics:

Blending elements of psychology, philosophy, and sociology with economics, Etzioni presents a bold new vision of the social sciences - one which proposes that broader moral, social and political concerns modify economic behaviour and shape individual decision-making. In establishing the necessitary of moral and social considerations in economic behaviour, he provides a provocative new framework for a more comprehensive, ethical and realistic approach to the

social sciences today.
