Paul S. Goodman : Missing Organizational Linkages: Tools for Cross-Level Research (Foundations for Organizational Science) before purchasing it in order to gage whether or not it would be worth my time, and all praised Missing Organizational Linkages: Tools for Cross-Level Research (Foundations for Organizational Science):

The "organization linkage" concept is relatively new. This book provides a unique and very valuable approach to the study of organizations - how do actions among individuals and groups affect (or not affect) organizations as a whole, and vice versa. This ground-breaking book shows how to bridge the gap between the traditional micro and macro camps of organizational studies.
