Kindle Version - Think Before you buyBy BijuIncredible book!!!. Highly recommend. The book force you to consider different aspects when conducting any kind of performance evaluationThe author has presented elegant examples . Indeed I could use this book to conduct different types of performance review or feedback.Be cognizant NOT to buy Kindle version . This is a reference book and not suitable for eBook . eBook experience is not the preference experience for any reference type of books Hence I returned the kindle version and brought a paperback version0 of 0 people found the following review helpful. I Said ItBy G'WoodOkay phrases, that need a bit of you to make them work. Take note... Find the one book that has the most phrases, purchase it, for there's several others like this that are simply repetitive in editorial.

No managerial or administrative task is as universally dreaded as the performance review. Supervisors may know the points they need to get across, but putting them on paper is another matter. This book puts the right words at their

fingertips, with ready-to-use phrases and words, action items, and descriptions that managers, supervisors, and HR professionals can use to evaluate performance, prepare development plans, and address performance problems. *2600 Phrases for Effective Performance Appraisals* covers the 25 most commonly rated factors, including productivity, time management, decision making, and teamwork, as well as specific roles such as customer service, finance, sales, and more. The book provides hundreds of phrases to use in performance improvement plans, plus an appendix of helpful individual words.
