Pierrette Hondagneu-Sotelo : Doméstica: Immigrant Workers Cleaning and Caring in the Shadows of Affluence before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doméstica: Immigrant Workers Cleaning and Caring in the Shadows of Affluence:

0 of 0 people found the following review helpful. I keep reading this over over again. I ...By ThatGalValI keep reading this over over again. I live on a street where not that far from me, up the hills...in the million dollar house range, I see many housekeepers, cleaners and nannies [primarily Latinas], going to work...I find this subject "FASINATING"!0 of

0 people found the following review helpful. and she did find it very informative and very useful!By Richard MiddletonI can't really review the book, as I purchased it for my wife to read. She was reading the book for research purposes for a project she is putting together on domestic help in the United States and the overall question of immigration, and she did find it very informative and very useful!1 of 1 people found the following review helpful. Inequalities Brought to LifeBy THE-DEADLY-DOG"Domestica: Immigrant Workers Cleaning and Caring in the Shadows of Affluence" is a perfect example of finding that little bit of lost knowledge that many push to the side or brush under the table.I would go so far as to call this a must read if you are interested in the inequalities that fellow humans face everyday and the struggles they go through.

In this enlightening and timely work, Pierrette Hondagneu-Sotelo highlights the voices, experiences, and views of Mexican and Central American women who care for other people's children and homes, as well as the outlooks of the women who employ them in Los Angeles. The new preface looks at the current issues facing immigrant domestic workers in a global context.
