Yay Dummies!By CarrieThis book is full of great info that you can't find anywhere else, well, unless you feel like forking out the cash for all the included books... from signing up and buying and bidding advice to selling and shipping, this book covers it all! Even accounting! The only part that is out of date is that the Trading Assistant program is now defunct, but that just happened around the time of publication, which is not the fault of the author or the For Dummies people. The best book for eBay beginners to be found, much better than all those " eBay secrets revealed! " books.0 of 0 people found the following review helpful. Buy the newest editionBy RSProbably the best eBay guide out there. The reason is because it is indexed so well. EBay changes so fast so make sure you buy the most current edition or the book will be useless3 of 3 people found the following review helpful. Three StarsBy lots of stuff!Already out of date. Ebay changes their website constantly!!
