0 of 0 people found the following review helpful. It was a hard read for me. By L. A. Roberts I think overall it is a good book, hence 4 stars but I found it hard to get into. It didn't "grab me" and hold my attention like I thought it would. 1 of 1 people found the following review helpful. Five Stars By renee One of the best books I've ever read. It's an effortless way to learn about business! 1 of 1 people found the following review helpful. Five Stars By Lisa Tully Easy and entertaining read with some good common sense advice.

Nick Friedman and Omar Soliman started the multimillion-dollar franchise College Hunks Hauling Junk when they were just twenty two, and they've been having the time of their lives ever since. What's their secret? That's just it--there isn't one. There's no fancy software or complicated business schemes. No outside investors or quirky market niche. They just followed 10 common-sense commandments to building a straightforward, fun, and successful business that does a simple job well. Anyone can understand it, and anyone can do it. From the Trade Paperback edition.
