Editors of REA : English Vocabulary - Set #2 Interactive Flashcards Book: Pt.2 (Language Learning) before purchasing it in order to gauge whether or not it would be worth my time, and all praised English Vocabulary - Set #2 Interactive Flashcards Book: Pt.2 (Language Learning):

REAr's Interactive Flashcard books represent a novel approach which combines the merits of flash cards with the ease of using a book. One side of each page includes questions to be answered, with space for writing in onersquo;s answers mdash; a feature not usually found on flash cards. The flip side of the same page contains the correct answers, much as flash cards do. English Vocabulary (Set #2) is fully indexed making it easy to locate topics for study. Thanks

to the book form, there is no need to look for and fish out appropriate questions from a box and put them back in the proper order, and there is no need to carry around a box of 1,000 flash cards. The book is easier to take along and carry.
