Dave Ramsey : EntreLeadership: 20 Years of Practical Business Wisdom from the Trenches before purchasing it in order to gauge whether or not it would be worth my time, and all praised *EntreLeadership: 20 Years of Practical Business Wisdom from the Trenches*:

5 of 5 people found the following review helpful. It didn't disappoint...By Gerardo Morales There is a lot of great material in this book. It's told more as a personal experience and how you can apply his experience and those of other Entreleaders to the various aspects of your business. This is definitely a leadership and business book to keep as a

periodic reference. Unfortunately, I read this book when I did not hold a leadership position nor did I have my own business. But that does not mean that I don't apply some of the more important principles like integrity and honesty in my roles. I'm a big fan of Dave Ramsey and his show because he doesn't sugarcoat or dance around serious topics. I hope you enjoy the read. 1 of 1 people found the following review helpful. Buy it for your kids (and yourself)! By Darin Marley Great practical business book! Real, useable advice. Good reminder for those with experience and great way to learn business from an entrepreneurial perspective. Highly recommend, especially if you're in business for yourself. Bought three more for my kids! 0 of 0 people found the following review helpful. Great book By Keasters If you are interested in entrepreneurship this is a great book! There are many great life and business lessons to take away so be sure to take notes.

From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room. If you're at all responsible for your company's success, you can't just be a hard-charging entrepreneur or a motivating, encouraging leader. You have to be both! Dave Ramsey, America's trusted voice on money and business, reveals the keys that grew his company from a one-man show to a multimillion-dollar business—with no debt, low turnover, and a company culture that earns it the "Best Place to Work" award year after year. This book presents Dave's playbook for creating work that matters; building an incredible group of passionate, empowered team members; and winning the race with steady momentum that will roll over any obstacle. Regardless of your business goals, you'll discover that anyone can lead any venture to unbelievable growth and prosperity through Dave's common sense, counterculture, Entrepreneurship principles!
