**Bob Lingard : Leading Learning: Making Hope Practical In Schools** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Leading Learning: Making Hope Practical In Schools:

This title is relevant to anyone concerned with improving schooling and enhancing the professional practices of educators. The authors focus on leadership for enhancing student outcomes, both academic and social. While recognizing the significance of the principal or headteacher in school leadership, the authors argue a strong case for

the dispersal of leadership.
