Heather Smith : Learn MYOB in 7 Days before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn MYOB in 7 Days:

5 of 5 people found the following review helpful. Glad I found this bookBy Kindle CustomerI currently have my Quickbooks certification but am finding that most small businesses in Australia are running MYOB. Since I'm planning to relocate in the future, I thought it best to understand this tool and the differences between it and QB.This book is very well written and easy to follow in a step by step manner. Heather also makes additional bonus materials easy to access and follow. I actually had a question about a specific function, sent a comment via her website and she

very quickly responded with my answer. I'd say this is a must have for anyone that plans to utilize MYOB for their business. Well worth the investment. 0 of 0 people found the following review helpful. Learn MYOB in 7 Days By Fleur Madeline Pepper Learn MYOB in 7 Days delivers a concise learning resource and sends through to new users such as myself confidence in the capabilities of the computerized accounting. I recommend my purchase of the book via kindle to those interested in MYOB. 0 of 0 people found the following review helpful. Very happy first time MYOB user! By Margaret Crockford A great step by step guide when starting out with MYOB, even as a first time user!! Detailed images (screen shots) of actual MYOB scenarios. Very happy with this purchase!!
