My instructor recommended this book for the terminology and thought it would be expensive and couldn't afford it because I have a tight budget, but once I looked it up on the web was able to provide it at a great price. WOW!! I went ahead and bought it. It provides plenty of good information it's worth buying to get a better understanding of what the terms mean an what perspectives they are in. I enjoy using it; I refer to that book when I am in need of help. I am sure enough to come back to this site for additional books I may be needing in the near future.0 of 1 people found the following review helpful. bookBy emilysI received the book expecting something "ok", and it is actually in great condition!! I am really pleased that I was able to get a good book for a better price.
