David Lowe : Lowe's Transport Manager's and Operator's Handbook 2012 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lowe's Transport Manager's and Operator's Handbook 2012:

This best-seller for busy fleet operators, now in its 42nd edition, provides essential information and advice on transport legislation, technical standards and goods vehicle operations. Lowe's Transport Manager's and Operator's Handbook is a truly comprehensive guide to the legal, operational and environmental factors that are of the utmost importance in today's road transport industry - including professional competence, working times and driving hours rules, speed cameras and penalties, the international road haulage market, and drugs testing for drivers. The Handbook is the

essential reference source for any transport manager, fleet operator, owner-driver haulier or student with an involvement in the industry.

About the Author David Lowe has been involved in the road haulage industry for many years, and is an experienced consultant and freelance writer. His many books on transport include *The Professional LGV Driver's Handbook* and *The Pocket Guide to LGV Drivers' Hours and Tachograph Law*, both published by Kogan Page.
