Thomas N Garavan, Carole Hogan, Amanda Cahir-O'Donnell : Making Training Development Work: A 'Best Practice' Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Making Training Development Work: A 'Best Practice' Guide:

Making Training Development Work is designed to help practitioners in the field of training and development to develop the most appropriate set of practices that will work within their organisation. The book is aimed at

practitioners in the field of training and development, whether internal or external consultants or specialists.
