bakerInformative in a general way. Good for someone starting out and for folks that have been farming for some time.0 of 0 people found the following review helpful. Five StarsBy N. Rileypacked with great info1 of 1 people found the following review helpful. Exactly what I was looking for.By DougThis is a great book with easy to read business insights that apply to more than just farming. It also had great advice for any type of gardening and small farming. I found it very interesting and have read it cover to cover twice.

Turn your farm into a cash cow! Ron Macher offers a host of simple strategies for increasing your farm earnings, from purchasing durable equipment to growing economically viable crops. A seasoned expert in farm efficiency, Macher shows you how to locate a lucrative niche market for your products, optimize sales, and minimize costs. Whether yoursquo;re buying a new farm or jump-starting an old one, Machersquo;s savvy tips will help you turn your enterprise into a profitable business.
