**Gregory A. Garrett : Managing Complex Outsourced Projects** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Managing Complex Outsourced Projects:

The ever-changing world of outsourcing demands that project managers be adept at team building, meeting management, group-based problem solving and conflict management. Managing Complex Outsourced Projects provides a comprehensive review of what it takes to successfully manage outsourced projects resulting in improved

performance and reduced expenses. Author Gregory A. Garrett discusses the concept of Integrated Project Management (IPM), which is the discipline of ensuring that appropriate practices, tools and techniques are implemented by all parties involved in the outsourcing process. In *Managing Complex Outsourced Projects*, you'll find more than 400 tips and best practices, over 40 forms and more than 20 case studies that depict how the most successful companies effectively manage outsourced complex projects.

About the Author Gregory A. Garrett is a respected international educator, author, and consultant who has served as a lecturer for The George Washington University Law School and the School of Business and Public Management. He has provided training and consulting services to world-class corporations and organizations in more than 40 countries and received two national awards for his contributions to the profession of contract management. Previously, Mr. Garrett was Executive Director of Global Business for ESI International where he led consulting and business training programs for numerous Fortune 100 Companies and multinational organizations worldwide. Currently, he is a Vice President Program Management, Lucent Worldwide Services and President and CEO Garrett Consulting Services.
