Lawrence Holpp : Managing Teams (Briefcase Books Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Managing Teams (Briefcase Books Series):

0 of 0 people found the following review helpful. It's a textbook by B. McSherry. If you're buying this you probably need it for a class (I wouldn't have otherwise) and for that purpose it is great. I know that an author's words are just their views and opinions on topic but at times I felt like a lot of that personal opinion was injected into his ideas. Overall the

information is good but at times it felt somewhat more aligned with Holpp's personal views. 0 of 0 people found the following review helpful. This book is awful. It's very hand wavy and ...By BrianThis book is awful. It's very hand wavy and there are no references to information sources. Hard to find credible. 0 of 0 people found the following review helpful. Five StarsBy Customervery good investment

In industry after industry, workplace teams have proven their value in achieving both quality and productivity goals. But for teams to succeed, management must lay the groundwork. *Managing Teams* provides methods and checklists to determine if teams are right for your business; improvements you should expect--and not expect--from teams; and more. Interviews with HR professionals who have successfully instituted teams give you real stories from the front lines. *Managing Teams* will provide the support and confidence you need to initiate and manage workplace teams, evaluate the success of those teams, and get your employees working in a coordinated, disciplined manner.

From the Back CoverWorkplace teams DO Work! Follow these strategies for long-term, bottom-line results. Tomorrow's success stories are instituting workplace teams today. Why? Because time after time, in industry, teams have proven their value in achieving both quality and productivity goals. *Managing Teams* will dramatically increase your chances for a smooth transition to a highly productive team. This handy guide includes: methods and checklists to determine how to assemble the best team; tips on improvements you should expect--and not expect--from teams; strategies for recognizing and avoiding major roadblocks in creating a team environment. Companies around the world are discovering that employee teams and teamwork add value to virtually every area of business. *Managing Teams* will provide the support and confidence you need to initiate and manage workplace teams, evaluate the success of those teams, and get your employees working in a coordinated, disciplined manner.
