Other books can cost a fortune, but this one is reasonable and still offers plenty of information. 0 of 0 people found the following review helpful. Three Stars By Customer it could be perfect if one had the spoken situation in French on a CD. 1 of 1 people found the

following review helpful. Excellent resource for business situationsBy CD13Routledge's Manual of Business French provides an excellent resource for both oral and written communication in a wide variety of business situations. The dialogues are particularly useful for contextual expressions and pronunciation practice.

Manual of Business French is the most comprehensive, single-volume reference handbook for students and professionals using French. Designed for all users, no matter what level of language skill, this manual comprises five parts:*

- * A 6000-word, two-way Glossary of the most useful business terms*
- * A 100-page Written Communications section giving models of 50 letters, faxes and documents*
- * An 80-page Spoken Situations section covering face-to-face and telephone situations*
- * A short reference Grammar outlining the major grammar features of French*
- * A short Business Facts section covering essential information of the country or countries where French is used

Written by an experienced native and non-native speaker team, this unique volume is an essential, one-stop reference for all students and professionals studying or working in business and management where French is used.
