**S. Wisor : Measuring Global Poverty: Toward a Pro-Poor Approach** before purchasing it in order to gage whether or not it would be worth my time, and all praised Measuring Global Poverty: Toward a Pro-Poor Approach:

The author examines the moral, methodological, and practical problems that arise from poverty measurement. He establishes a methodological framework for analyzing poverty conceptions and measures, and concludes with concrete

recommendations regarding both the procedures for and substance of future global poverty measurement.

About the Author SCOTT WISOR is Research Fellow at the Centre for Applied Philosophy and Public Ethics at the Australian National University, Australia.
