From Asian Development Bank : **Methodology for Impact Assessment of Free Trade Agreements** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Methodology for Impact Assessment of Free Trade Agreements:

This publication displays the menu for choice of available methods to evaluate the impact of Free Trade Agreements (FTAs). It caters mainly to policy makers from developing countries and aims to equip them with some economic knowledge and techniques that will enable them to conduct their own economic evaluation studies on existing or

future FTAs, or to critically re-examine the results of impact assessment studies conducted by others, at the very least.
