of how to approach the fundamental problems of growing a business. Dr. Weiss's other books fill in those gaps. 1 of 1 people found the following review helpful. Excellent for the StartBy Damion This makes everything at the beginning so clear, I followed the advice and read it twice before beginning to implement and it is great! It won't make you a million in 90 days, but it Definatly shortens the time that was spent on trying to figure it out. 0 of 0 people found the following review helpful. Awesome Book!!
