challenges addressed but she tells you how to do it! If you follow her instructions you will hopefully reach your goals but for sure improve on what you are doing as an entrepreneur. I was so enthused by this book that I bought a copy for my niece Angele in Canada who has a startup called Cakes by Angie on Facebook. I might be a consulting coach but has an entrepreneur I need to grow and change. Julia helps you do that! if your a startup or even if you've had your business for a while and need a tune up to get to the next level! Thank you Julia! 1 of 1 people found the following review helpful. REAL, RAW, HUMBLING Advice- The 1st book every female entrepreneur should read. By Julie Rush This book is better than graduate school. Julia is not just inspiring but this book is able to give women actionable advice that is a series of baby steps to get you to where you want to be. Dream big, and take small steps. This should be every female entrepreneurs dictionary. I was fortunate enough to speak with Julia on the phone after reading the book and she mentioned how after she wrote this book many of her advisors asked her "Are you sure you want to publish this? Isn't this a bit embarrassing?" That's when you know it's a good book. Real, raw, humbling advice that isn't try to draw attention to her own journey, but is highlighting the mistakes and helping you not only avoid them but overcome them. 1 of 1 people found the following review helpful. It is extremely well written and while it teaches valuable lessons on how to assert yourself and achieve success in business --By Dominique Bravo This book is a treasure ndash; I have shared it not only with friends but with my young daughters as well! It is extremely well written and while it teaches valuable lessons on how to assert yourself and achieve success in business -- it is also super fun to read ndash; it is funny, smart, interesting, and inspiring! AND while I was interested because I am an entrepreneur, it is NOT just for entrepreneurs ndash; it will be loved by all women who want to get over their personal insecurities and learn how to strive for goals that seem out of reach and achieve more successes and satisfaction in every part of their lives.

The "useful and inspiring" (Diane von Furstenberg) guide for female entrepreneurs who want to take their businesses into the big leagues. "Do you have an ambitious vision for your business, but aren't sure what to do next? Successful entrepreneur Julia Pimsleur provides an invaluable guide for any woman who wants to make a big jump" (Gretchen Rubin, author of *Better Than Before* and *The Happiness Project*). Over the past twenty years, women in the US have started nearly twice as many businesses as men, but only three percent of all women business owners ever make revenues of one million dollars or more. Most are stuck running kitchen-table businesses, just getting by, or in many cases, running out of cash. Julia Pimsleur aims to change that with *Million Dollar Women*, which will show you how to take your business to that million-dollar mark and beyond. *Million Dollar Women* introduces you to Pimsleur and seven other women who have raised capital, developed powerful networks, and built multimillion-dollar companies from scratch. It teaches you the concepts and the vocabulary you need to secure funding and scale up. It explains how to make the right connections, when to delegate, and when to seek coaching and support. Drawing on her own experience of becoming a CEO, Pimsleur also provides help for overcoming the hurdles you have to clear to leap to that next level. "With thought-provoking interviews of women entrepreneurs and other business experts and important exercises at the end, this resourceful book is rich in ideas and valuable insight" (Booklist).

"Useful and inspiring" (Diane von Furstenberg) "Do you have an ambitious vision for your business, but aren't sure what to do next? *Million Dollar Women* is both encouraging and realisticndash;it's packed with insights, practical advice, and real life examples. Successful entrepreneur Julia Pimsleur provides an invaluable guide for any woman who wants to make a big jump." (Gretchen Rubin, author of *Better Than Before* and *The Happiness Project*) "*Million Dollar Women* gives women a roadmap to getting over the million dollar mark with their businesses. Julia Pimsleur speaks from having been in the trenches herself and has a genuine mission to help other women make it into the million dollar women club. A must read for women who care about their financial futures." (David Bach, author of *Smart Women Finish Rich* and *Start Late, Finish Rich*) "Building your million dollar business often requires finding, convincing and working with outside investors. And those angels and venture capitalists are mostly all men. *Million Dollar Women* provides the map, compass and inspiration to enable female entrepreneurs to enter that world and emerge victorious!" (Adam Quinton, Investor, CEO of Lucas Point Ventures) "Through the experiences of eight women (including the author herself) who have built multimillion dollar companies, entrepreneur and CEO Julia Pimsleur explains how women can take their businesses to the next level. But it's not just the stories themselves that are valuable; it's the humorous and pragmatic way in which *Million Dollar Women* is told." (Creator.com) "A comprehensive, how to guide for female founders to scale their businesses. From launching and fundraising to delegating and networking, Julia meets her readers as an ally sharing a step by step narrative of her journey." (33voices.com) "Pimsleur, CEO of a multimillion dollar company, shares her inspiring story to help other women reach that goal. . . . With thought provoking interviews of women entrepreneurs and other business experts and important exercises at the end, this resourceful book is rich in ideas and valuable insight." (Booklist) "Packed with case studies and stories of Pimsleur's own history and rise, this enthusiastic, encouraging guide is a great Business 101 for entrepreneurial women." (Publishers Weekly) "Fantastic. . .

. While Julia focuses on teaching women how to raise angel and venture capital, she is also passionate about women having the right mindset to succeed in a challenging business world." (Startup Savant)About the AuthorJulia Pimsleur is the author of the book Million Dollar Women and creator of the Million Dollar Women Masterclass, an online course for female entrepreneurs who want to go big. Pimsleur founded Little Pim, the leading system for introducing young children to a second language, which won twenty-five awards for its proprietary Entertainment Immersion Methodreg; and sells in twenty-two countries. After raising millions in angel and venture capital for Little Pim, Pimsleur started teaching fundraising bootcamps to help other women do the same, and their stories inspired her to write Million Dollar Women. Pimsleur blogs about entrepreneurship for Forbes.com; has been featured on Today, NBC Weekend Today, and Fox News; and has spoken about entrepreneurship at Yale, Stanford, and NYU. Pimsleur and her company have been highlighted in Business Week, CNBC, The Wall Street Journal, and The New York Times, and she won the Smart CEO Brava! Award for women entrepreneurs.
