2 of 2 people found the following review helpful. Do you want to start a "Dog" business?By icyEnjoyed this book. It's a quick read and has good ideas to help decide if a dog business is for you.6 of 6 people found the following review

helpful. Love it!By HeatherThis book is great! It has been very helpful contains a lot of useful information. Veronia Boutelle is great and I have been very pleased with every purchase from her business Dogtec including their business consulting.1 of 1 people found the following review helpful. Worth Every Penny!By Mark BoppSuperb information about growing a business and keeping it alive. Highly recommended for anyone who needs some new ideas for their dog-related business.

Setting up and running a successful dog-related business is an achievement in itself, but building a business with staying power that can succeed over the long run is the ultimate test for a dog pro. dogTEC's Veronica Boutelle and Rikke Jorgenson new book will help guide you as you work to build your dog business, whether you are a trainer, a dog walker, a dog sitter, or a daycare owner. Of special interest to many of you dog pros will be the up to date information on the latest in marketing technologies and techniques as well as how to manage your business during economic downturns. A truly great resource for dog pros.
