Ed Goodman, Ann Hawkins : New Business: Next Steps: The all-in-one guide to managing, marketing and growing your small business before purchasing it in order to gage whether or not it would be worth my time, and all praised New Business: Next Steps: The all-in-one guide to managing, marketing and growing your small business:

0 of 0 people found the following review helpful. The A to Z Startup Manual for Any Small BusinessBy Wade DanielsonIn her book Hawkins, and co-author Ed Goodman, give you an all-in-one guide that contains very easy-to-

follow strategies, exercises, action plans, and templates to improve your business. The goal of the book is to teach you effective strategies that will improve your marketing efforts, increase your sales, keep your finances in check, implement the right technology, and create quality service. In her book there are 10 chapters all on different aspects of growing a business so you are able to jump to whichever chapter fits your needs. For your convenience, I had Ann on my podcast, The Entrepreneurs Library, to give a deep dive on *New Business: Next Steps*. With Ann's experience she gives amazing insight on how to keep any small business afloat through the basic fundamentals of creating a startup. If you would like to hear a real review from the author herself check out episode 161 at theELpodcast.com/books or on iTunes.

Refreshingly clear. Answers all those questions that entrepreneurs keep asking. Robert Craven, author, *Bright Marketing and Kick-Start Your Business*. So you've launched your new business. But what do you need to do now to make sure it succeeds? This all-in-one guide will help you make sure your fledgling enterprise becomes a successful business. Packed with all the practical, valuable and insightful guidance you need on sales, marketing, finance, service, technology and much more, each chapter includes:

- Easy-to-apply strategies for business success
- Insightful case studies from businesses that survived the first five years
- Helpful exercises and action plans
- Valuable templates for you to use

This is your one-stop shop for everything you need to manage, grow and succeed with your new business. Full of very valuable information. This is not theory but live action in print. Highly recommended. Professor Alan Barrell, Judge Business School, University of Cambridge

About the Author Ed Goodman is a business start up mentor and has worked with over 10,000 start ups to successfully build their knowledge and experiences of financial management, social media, networking and more. Ann Hawkins is a business start up consultant and guides business owners through critical periods of growth, especially those dealing with change in employment practices and technology. She founded The Inspired Group in 2005, a peer group learning experience.
