MartinInteresting, but nothing much that is not possible to learn fast enough yourself on internet. But If you are not an Entrepreneur your self, it might be a better experience for you reading this book than it has been for me.1 of 1 people found the following review helpful. Great info for authors hereBy Robert J Loved that there is a resource for authors all in one place to make it simple for them. Authors need to focus on creation and the services in this book help them in that manner. Rob @ <http://authorstalkaboutit.com>
