Robert Vaughn : Only Victims: A Study of Show Business Blacklisting before purchasing it in order to gage whether or not it would be worth my time, and all praised Only Victims: A Study of Show Business Blacklisting:

(Limelight). A necessary book with a necessary goal stressing the importance of the First Amendment of the U.S. Constitution and citing the dangers of what happens when its cherished tradition is jeopardized. In the name of combating Communism liberties were jettisoned, while the art of stool pigeon information dissemination reached a

feverish pitch during Hollywood's blacklist period beginning shortly after World War Two with the advent of the Cold War.
