The wonderful women in this book share their insights into how to become successful in life and do a great job at it! There are many practical tips to help you get started moving in the right direction whatever direction that may be. The stories are personal and you feel as if you've made a new friend in all of these women. They are truly an inspiration to womankind. I can't recommend the book enough! Great job ladies!!

Ordinary? Hardly. The 18 authors featured in this extraordinary book can hardly be called ordinary-neither can their advice. New York Times best-selling author Dr. Cherie Carter-Scott (If Life is a Game, These Are the Rules), acclaimed songwriter Jana Stanfield (her song "If I Had Only Known" was a quadruple platinum hit for Reba McEntire), and 16 of America's top motivational speakers have created a book by women for women. Each contributor brings not only her unique talents to bear on a powerful topic, but also her own experience and life stories. Readers will receive practical, empowering, and inspiring advice on: Dealing with difficult people; Attitude, balance, and faith; Becoming the person you choose to be; Making a difference and overcoming obstacles; Mothers and daughters; Celebrating, laughing, and letting go; Working, praying, and letting your light shine; And much more.
