Raymond F. Mikesell : The World Copper Industry: Structure and Economic Analysis (RFF Natural Resource Management Set) before purchasing it in order to gage whether or not it would be worth my time, and all praised The World Copper Industry: Structure and Economic Analysis (RFF Natural Resource Management Set):

First Published in 2011. Routledge is an imprint of Taylor Francis, an informa company.

'...manages to integrate a great deal of information about the copper industry into a cohesive whole. Obviously, this book will be used by future students and writers on the copper market as a valuable reference guide.' National Association of Recycling Industries
