From the AuthorAt first, getting Facebook Fans was all the rage - but for advertisers it was a dog. In fact we originally created the online quiz "IsFBforMe.com" to DIS-qualify customers from buying the first edition of our book, unless Facebook was a clear and solid fit for their business.Well Facebook got their act together and today Facebook marketing is HOT. For manybusiness it's the fastest way to get new customers, and Facebook isappropriate for a far wider range of advertisers than it ever used tobe. Facebook is currently the #1 source of traffic for my own company,Perry S. Marshall Associates.My co-authors Keith Kranceand Tom Meloche have done a superb job of teaching not only the nuancesof Facebook's tech platform but the essentials of direct marketing. This book will propel your game forward, save you money and bring you hot,ready-to-buy customers.About the AuthorPerry Marshall (Chicago, IL) the #1 author and world's most-quotedconsultant on Google advertising.
