Five StarsBy Dawn NashidLove it!! Thanks,0 of 1 people found the following review helpful. BEST MUSIC BUSINESS BOOK ON THE MARKETBy Triple LBest Music Biz Book out right now! Current, and full of useful information! A must read if you're interested in the music business or work in the music biz.. or just want to keep it on hand for reference.

The completely revised and expanded edition of *What They'll Never Tell You About the Music Business* is a must-have reference. You'll learn:- How many musicians have seized do-it-yourself internet opportunities to create successful business models,- How the royalty pie is sliced—and who gets the pieces,- How the fundamentals of music publishing, producing, managing, touring, and the record industry apply more than ever,- Why this book is the indispensable guide to the worldwide music industry,- How corporate general counsels can educate their employees (and themselves) to understand the strictures of copyright law and to avoid trouble,- And much more.From the Trade Paperback edition.

"Intelligent and accessible—rich in references, but easily understandable." —DAVID GEFFEN
"For someone on the way up, this book is a must; for everyone else, it's a bible." —Danny Strick, co-president, Sony/ATV Music Publishing Inc.
"The music business is complicated, and this book is very helpful in deciphering its pitfalls, opportunities, and challenges." —Clive Davis, chief creative officer, Sony Music Entertainment Worldwide
"A clear contender for the one indispensable work on the topic, this book delivers the goods. There is no one involved in the music business who will not learn and benefit from this ambitious work." —New York State Bar Association
"This book gives you the real deal on the way the music business really works, whether you're new to the game or even if you think you're a veteran—from contracts to touring, good and bad money decisions, and even creating a team no artists should do without." —Sean Paul, Atlantic Recording Artist
"An indispensable compass to guide you through the trials, traumas, and occasional triumphs you will encounter in that most unusual life work called the music business." —Bruce Lundvall, president and CEO of the Blue Note Label Group
"This book is like a map, showing how to avoid the danger zones in the music business." —Ric Ocasek, record producer, former lead singer and songwriter for The Cars
"An absolute must for anyone interested in the music business. This is by far the most informative book on the business of music I have read to date, and it's one that I'll refer back to regularly." —Big Hec, rapper, producers, and video magazine publisher
"Thal's book simplifies a complicated business, and it provides the reader with knowledge that otherwise is available only to those on the inside." —Scott Francis, president, Warner/Chappell Music and chairman CEO, Warner/Chappell Music U.S.
"Peter Thal has made it his business to know everything that's worth knowing about the music world, and now he's sharing it with the world at large. I'm frequently asked for the insider's view of the industry, and I always point them to Peter's very useful and informative book." —Roger Faxon, chairman and CEO, EMI Music Publishing
"Whoever reads this book is getting expert advice from one of the most respected and knowledgeable players in the music industry today. I wish this book was available when I was looking to begin my career in the music business." —David Renzer, chairman CEO, Universal Music Publishing Group
About the Author PETER M. THALL has practiced law for more than 40 years and has represented many of the world's greatest artists, from The Cars and Barry Manilow to ABBA and Pat Benatar, and such companies as Gucci, EXPRESS, and Victoria's Secret for their music needs. He is a regular contributor to music journals, international law publications, and a frequent guest on national and international radio and television programs as an expert on the music business.
