Erik Banks : Working the Street: What You Need to Know About Life on Wall Street before purchasing it in order to gage whether or not it would be worth my time, and all praised Working the Street: What You Need to Know About Life on Wall Street:

Written by a former Managing Director at Merrill Lynch, Working the Street is the resource for readers hoping to

build a successful career on Wall Street. It is not a "how-to" career book or a job guide. It doesn't tell the reader who to contact for a job or what classes to take to prepare for a career in banking, and it is not a book about the technical "nuts and bolts" of Wall Street. What this book does tell the reader is about some of the "ins and outs" of Wall Street; about how things really work in the banking world; about some of the speed bumps to watch out for and some of the "low hanging fruit" that is ripe for the picking, from getting in the door and developing positive habits, to getting a bonus and handling retirement. In order to really succeed, it is necessary to know as much as possible about how Wall Street really works. Working the Street goes a long way in providing exactly that.
